Lid type	Tight snap-on
Handle	Not applicable
Color options	Natural / white / custom color - upon request

Customer-Facing Guidance

Typical applications	Food products, dairy, sauces, dates, sweets, powders and rectangular retail/food-service packs.
Food-contact statement	Suitable for food-contact applications when manufactured using approved virgin PP resin and compliant additives/colorants. Final suitability should be confirmed against the buyer's product type, filling conditions, storage conditions and applicable regulatory requirements.
Capacity in kg	The nominal liquid capacity is 5.0 L. Approximate filled weight in kg depends on product density; water-based products are approximately equal to the liter value before adding packaging weight.

Tolerance	All dimensions and weights are nominal. Recommended release tolerance: dimensions +/- 2 mm and weight +/- 5%, unless otherwise agreed in writing after production validation.
Packaging/logistics	Pieces/carton, cartons/pallet, pieces/container and palletization data: TBC pending factory confirmation.

Release Checklist

This checklist keeps the corrected files clean for review without repeating old artwork-conflict notes.

Checklist item	Current status
